

Typical reading results  
(results below from the 2003-04 school year)

This graph is comprised of the number of words read by: 10 2-year-olds, 33 3-year-olds, 38 4-year-olds, and 12 5-year-olds

Minimum number of books read by the end of Pre-K: 28  
By the end of Kindergarten: 46

We enroll students year-round. The graph above includes even our newest students.

## Of course reading is not all we do!

There are so many areas of interest and fun for a child. Reading is only 30-60 minutes a day, depending on the class the child is in. So, they have plenty of time for the other activities:

1. Gymnastics
2. Science
3. Cooking
4. Field Trips
5. Music
6. Dance
7. Physical fitness
8. Projects
9. Art
10. Math
11. Phonics
12. Games
13. Problem solving skills
14. Manners
15. Communication skills
16. One on one help

Does your child have an exciting, action filled day? Is your child's brightness waiting to be discovered? We can help.
